for INDEPENDENCE DAY!! HAPPY 4TH OF JULY
EVERYONE!! Be Safe and Enjoy your long Weekend!!!**

Sunscreen & Bug Repellant: Please apply sunscreen/bug repellent to your child in the morning before arriving at school. If you would like us to reapply before playing outside in the afternoon please send sunscreen that is easy to apply (It is NOT MANDATORY TO BRING SUNSCREEN). A medication authorization form is required by the state so that teachers can apply sunscreen to your child. We have the forms at the front office.

Summer Attire: If you bring your child in sandals, we ask that you PLEASE BRING A PAIR OF TENNIS SHOES/CLOSED TOED SHOES FOR THE PLAYGROUND that can be placed in their cubbies. We must remember SAFETY FIRST. If your child does not have tennis shoes to wear they will not be allowed to play on the playground. We want them to stay safe on our playground. NO FLIP FLOPS ARE ALLOWED AT A+.

Extra Change of Clothes: We do keep a supply of Extra Clothes in Each of our Classrooms but do ask that PARENTS bring 3 changes of clothes for their child. For the Younger classrooms such as Early Preschool and Preschool we ask that you bring in at least 2-3 Changes of Clothes with your CHILD'S NAME LABELED on the Clothing Items. For the older Classrooms such as Pre-K, Kindergarten, and School Age we ask that you bring at least 1-2 Changes of Clothes with your CHILD'S NAME LABELED on the Clothing. Accidents do happen and it is always good to have something from home.
***Please make sure to take dirty clothing items home.
