Achieving Academic Excellence Begins Here

September 2017

16 Years of Excellence!!

## Monthly Newsletter

Dear Parents,

Our School year has just begun and already we are busy with new classes, new friends, and many new things to learn which includes talking about our Kids-4-Kids Charity. This program was created by the students at A+ Prep School for the purpose of helping other children in need. In light of the tragedy in Houston, our Pre-K Teacher's have started a Fundraising Program to help those who have experienced such loss from the hurricane. Boxes will be set up along the hallways to fill with items of need for families displaced in shelters. A flyer will be sent with details so you will know how to better help with items that are being requested from the shelters. Thank you for your support and any help you are able to give.

**Parent Partners Program:** We are eager to begin our Parent Partners Program here at A+. The program is designed to bring our school and our parents together to better serve the needs of our children and our families. The Parent Partners Program is to help parents take an active part in their child's classroom. They can bring to the classroom a variety of things such as reading to the class, singing with the children, helping with classroom parties, fundraiser's, teacher appreciation, etc. Please speak with your child's teacher to see how you can become more involved. We will have a bulletin board with updates on upcoming events. **\*\*\*If you would like to become a homeroom parent please see your child's teacher. Important Reminder:**

**We will be charging the Annual Registration fee as well as the Preschool Program Supply Fee this month.** If you did not take advantage of the Early Bird Registration and Supply Fee, please add them to your September Payment. **ALL PRESCHOOL REGISTRATION/SUPPLY FEE MUST BE PAID BEFORE SEPTEMBER 30<sup>TH</sup>.**
